

PERSONAL STATEMENT

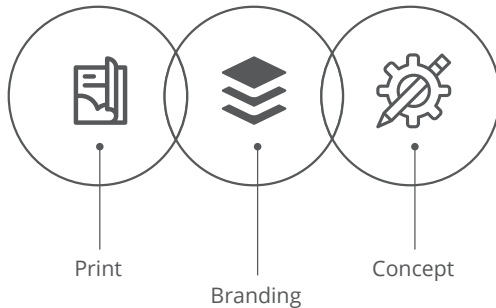

A creative and self-driven design professional with many years of experience creating and delivering elegant, innovative design solutions that excite consumers and grow iconic brands. Well-versed in the Adobe Creative Suite, Microsoft Office, Sketch, and multiple web design and drafting applications.

Skilled in leading multiple projects from concept through to completion. Hands-on in transforming complex information and concepts into attractive, human-centered designs, and currently seeking a creative position with an organization that will benefit and sees value in my diverse skill set, as well as, my ability to problem solve under pressure as an invaluable asset.
